The newly revised History-Social Science Framework is here. During this year’s San Diego County History-Social Science Conference, participants will network and collaborate as they learn about the new framework and its focus on inquiry.

**OUTCOMES:**

- Learn from teachers, content specialists, and curriculum experts.
- Discuss hands on and engaging teaching strategies.
- Share ideas to support students as they access history-social science content, develop critical thinking, and prepare for college, career, and civic life.
